**ORDER:**

The Government of India has set a High Level National Transport Development Policy Committee for the Development of Long-term National Transport Policy. The aim of the policy is to ensure overall growth and efficiency in the economy with special attention to competitive pricing and coordination between alternative modes of transport so as to provide an integrated and sustainable transport system. The Committee has formulated a questionnaire relating to the Railways, Roads & Road Transport, Civil Aviation, Ports and Shipping and Urban Transport Sectors.

2. Since the State Governments play a critical role in governance and implementation in the transportation sector, the National Transport Development Policy Committee has desired to know the views of the State Government.

3. The Transport Development Policy evolves wide range of subjects and issues relating to the Railways, Roads & Road Transport, Civil Aviation, Ports and Shipping and Urban Transport Sectors. As such to have a wider and detailed consultation there is a need for constitution of a Working Group at State Level for conveying state views on various issues pertaining to the Railways, Roads & Road Transport, Civil Aviation, Ports and Shipping and Urban Transport Sectors on the Development of Long-term National Transport Policy.

4. Hence, Government after careful examination hereby constitute the Andhra Pradesh State Working Group with the following officials to firm up their views on the various issues and to facilitate interaction with the National Transport Development Policy Committee.
